Reciprocal Licensing Information

Please read information carefully before completing the application

Under KRS 324.141, the Kentucky Real Estate Commission (KREC) may enter into reciprocal licensing agreements with other states, whereby resident real estate licensees in those states may qualify for non-resident licensing waiving the real estate examination. Listed below are those states with which Kentucky presently has reciprocal agreements: Alabama, Arkansas, Colorado, Florida, Georgia, Illinois, Indiana, Iowa, Mississippi, Missouri, Nebraska, North Carolina, Ohio, Oklahoma, South Carolina, South Dakota, Tennessee, West Virginia.

Reciprocity is based on <u>ACTIVE</u> licensure at the time of application. Escrowed, expired or cancelled licensees are not eligible.

■ <u>IMPORTANT NOTE</u>: A Sales Associate or Broker Associate <u>IS NOT ELIGIBLE</u> to obtain a license under the reciprocal agreement unless his/her Principal Broker (in the resident state) has already obtained a Kentucky Principal Broker's license.

The following steps are necessary for all applicants. Please review the state specific requirements as well.

1. Reciprocal Application

Must be completed by all applicants for licensure. Make sure the appropriate sections are completed. *(The application is only valid for six months.)*

2. Criminal Background Check

All applicants for a Kentucky license must submit to a criminal background check. See the attached information sheet for more details on this process. (Criminal Background Checks are only valid for 6 months after they are issued.)

3. Certification of License History

All applicants must obtain a Certification of License History from all states where they have held or currently hold a real estate license. A copy of the license is <u>not</u> acceptable. (Certifications of License History are <u>only valid for 90 days after they are issued.)</u>

4. Consent to Service of Jurisdiction

Must be completed by all non-resident applicants.

5. Reciprocal Licensing Fee(s)

The fee is \$55, plus applicable Errors & Omissions Insurance, or proof that the applicant is covered by a Private Carrier (Certification of Coverage form should be completed by Insurance Carrier). Checks should be made payable to KREC.

- **6.** <u>Pre-license Education Requirements for Ohio:</u> All applicants from Ohio will be required to complete a 48 hour Kentucky real estate law class prior to applying for a license. See explanation on page 3.
- 7. State Law Testing Requirements for Florida, Indiana, Illinois & Ohio licensees:

The examinations are conducted at Kentucky designated test centers. The reciprocal application and the attachments as outlined on the checklist must be submitted to and approved by the Kentucky Real Estate Commission. Do not register for the exam until you receive the WRITTEN AUTHORIZATION LETTER (cannot be a faxed copy) from the Kentucky Real Estate Commission. This letter confirms your eligibility to sit for the state law portion of the test as required under the reciprocal agreements with the states listed above. This authorization must be taken to the test center. *Once approval is given to take the state law exam, an applicant must pass the exam within 6 months. Once the exam is successfully completed, the applicant has 60 days to apply.

8. Licensing

Properly completed applications for licensure will normally be processed within 5 working days of receipt by the Commission.

All checks must be made payable to KREC. If you choose the group policy, you need to be aware of the following information: "If the insured licensee is not a resident of Kentucky, then this policy only applies to negligent acts, errors or omissions arising out of services committed in Kentucky or related to real estate located in Kentucky."
- Offices/firms located in Kentucky, are also assessed a municipal tax by the city or county where the
 office is located. Contact the Commission for the amount of tax due before submitting your application
 or check the web site at www.krec.ky.gov or the fax-on-demand service (1-888-KREC-FAX) documents
 #501 and #502 for the proration chart.

Submit proof of coverage through your own private insurer. Make sure that your carrier reviews 201

<u>Important Note</u>: Kentucky does require a state specific continuing education course (the Kentucky Core Course) to be completed by **all active licensees** subject to continuing education once every four years based on the following schedule of birth dates. July, August, September	2005	2009	2013
October, November, December	2006	2010	2014
January, February, March	2007	2011	2015

Continuing education courses taken in other states <u>may be</u> applicable. They must have been taken within the calendar year. A state specific license law class and general skills computer courses are not acceptable. The Commission may also request an outline of the course to determine whether the content is applicable. These classes are reviewed and evaluated on a case by case basis. You will be notified if any course is not acceptable. Call the fax-on-demand service (1-888-KREC-FAX) and ask for document #602 to use when submitting out of state certificates.

Special Notice: All licensees who are issued a Kentucky license must operate in accordance with all Kentucky real estate laws and regulations. It is the licensee's responsibility to read the laws and regulations and comply with them. This material is informational only. Any omission in these documents or verbal representation regarding licensure is not a reason for waiver of a licensing requirement.

The Commission will review and assess each license application upon its submission in accordance with the statutes, regulations, existing reciprocal agreements, and Commission procedures at that time. Laws, regulations and licensing procedures do change periodically.

If you have any questions, please contact the Licensing Department Staff at (502) 425-4273 or 888-373-3300.

Criminal Background Requirements KRS 324.045 (4) and 201 KAR 11:430

This notice should be provided to all new students and candidates for a license through a reciprocal agreement. <u>Please read this notice carefully.</u> Applicants applying for a license under a reciprocal agreement should refer to the reciprocal license instructions and application information for requirements which may be applicable to their situation.

All persons applying for a Kentucky Real Estate License on and after July 1, 2001 shall submit proof of a FBI Criminal Background Check to the Commission as a part of the application for a real estate license. This record must indicate that there have been no felony convictions at any time or any misdemeanor convictions within the previous five-year period. Some examples of misdemeanors which may be subject to a Commission investigation include: DUI, sexual assault, certain theft charges, and certain drug convictions. In general, speeding and minor traffic violations would not be misdemeanors. Some serious traffic violations could be misdemeanors.

Where can I obtain the necessary FBI forms? To obtain the fingerprint cards, check with your local law enforcement agency, the Kentucky State Police (check www.kentuckystatepolice.org/post.htm for the nearest location), or call the West Virginia office of the FBI at 304-625-3878. If you contact the FBI, ask for the fingerprint card and for information to obtain an identification record check for personal review.

Who will take my fingerprints? Most local law enforcement agencies, county sheriff's departments, and some city and county police departments, or any state police post may be able to take your fingerprints. In Louisville, the Department of Corrections located at the county jail on Sixth Street handles fingerprinting services for the Jefferson County Sheriff's Department. Some law enforcement agencies may charge a fee for fingerprinting services. The cost may vary.

What is the cost and where do I send it? Send the completed fingerprint card, a short letter (A sample letter is attached or is available from your school.) advising the FBI that the report is <u>desired for personal review</u>, and a certified check or money order, payable to the Treasury of the United States, in the amount of \$18 to the address listed below. If all items are not included, the request will be returned to you by the FBI for correction.

Federal Bureau of Investigation Criminal Justice Information Services Division SCU MOD D2 1000 Custer Hollow Rd. Clarksburg, WV 26306 304-625-2000 to check the status of your report

This is the only acceptable method for obtaining the report and is based on information we have received from the FBI, in accordance with the provisions in our license law.

What if my report comes back indicating that the prints are unreadable? If a criminal background report comes back from the FBI indicating that the prints are unreadable, the applicant should have the second set of prints done at the nearest State Police Post and resubmitted to the FBI for processing. If the second report comes back with the same result, then the Commission as an affidavit that the applicant can sign before a notary to use for the issuance of the license. All of the original fingerprint cards and reports must be submitted along with the affidavit in order for the

affidavit to be valid. If the candidate goes to the State Police Post first and that report comes back unacceptable, then they must have the prints done at one other location. Thus, no license will be issued to an applicant (using an affidavit) unless there have been at least two FBI reports obtained that indicate a failure to read the prints, one of which resulted in the fingerprints being done by the Kentucky State Police.

Also, we cannot accept a copy of a report that has been done for any other entity or organization. Applicants must have their prints taken and forwarded to the FBI for processing. The original fingerprint card and report must be submitted along with the application for a license.

How long does this process take and how long is the report valid? Approximately **8-12 weeks**, upon submission of the fingerprint card to the FBI. Thus, you should apply for the criminal background report at least 12-14 weeks before you plan to take the examination or submit an application for a license by reciprocity. We might suggest that you send the information by UPS or next day air from the postal service. **The report is only valid for six months.**

What should I do if my report is clear? The report will be mailed directly to you. Keep the report. The original report(s) and fingerprint card must be attached to your application and submitted with the other documents that are required to obtain your license. Photocopies of the fingerprint card and/or the written report from the FBI are not acceptable.

What happens if I have a misdemeanor or a felony on my record? You must submit the criminal background report and card to the Commission within five days of receipt of the FBI identification record. The Commission will then require that you complete a Privacy Act Waiver and will begin an investigation. Following the completion of the investigation, the applicant will either be allowed to continue with the education and testing process to apply for a license or directed to appear before the Commission for a hearing.

If a conviction is noted, how long will the Commission's investigation process take? Approximately 60-90 days depending upon how quickly all of the documents are returned to the Commission and the backlog of cases.

May I take the test after I have completed my coursework and submitted my request for the criminal records check? YES, as long as you have completed the fingerprint process and have mailed your request to the FBI for the background check to be completed. When you call to make a reservation for the examination, the testing service will ask whether you have been fingerprinted and have applied for the FBI criminal background check.

IMPORTANT NOTE: Regulation 201 KAR 11:210 (6) requires that all exam candidates apply for their license within 60 days of the examination date. If you delay requesting the background report and take the exam without having applied to the FBI for the criminal check, your test scores can be invalidated. Remember that the final background report must be attached to your application for a license and applicants must apply for their license within 60 days of the date of their examination. See Regulation 201 KAR 11:210 (6). If you take the examination without having fulfilled this requirement, you may run the risk of having your scores invalidated, thus requiring a retest.

Persons with any felony conviction or certain misdemeanors (within the last five years) SHOULD NOT enroll in classes and/or pay tuition or fees for courses or take the examination until the Commission has determined your eligibility for a license. If you continue with classes and take the test, you do so at your own risk.

If you have further questions, contact the Commission office.
